

Little Queen Of Spades

Eric Clapton

She is a little queen of spades, and the men will not let her be
Said she is the little queen of spades, and the men will not let her be
Everytime she makes a spread, hoo, fair brown, cold chill just runs all over me

Well, I'm gon' get me a gamblin' woman, if its the last thing that I do
Gon' get me a gamblin' woman, if its the last thing that I do
A man don't need a woman, hoo, fair brown, that he got to give all of his money to

Everybody said you got a mojo, 'cuz baby, you've been usin' that stuff
Everybody said you got a mojo, baby you've been usin' that stuff
You got a way trimmin' down, hoo fair brown, and I mean it's most too tough

Little girl, since I am the king, baby, and you is a queen
Little girl, since I am the king, baby, and you is a queen
Let's we put our heads together, hoo, fair brown, then we can make our money green
