

# No Alibis

Eric Clapton

1. I beg your pardon, hello darlin,  
This is me your talking to.....  
Sit down and tell me about it, you don't have to shout it at  
me,  
tell what you really want to do.....

R1: Don't give me no alibis, No untrue stories your trying to j  
ustify  
Don't want no alibis, Just another reason for another lie

2. Mountain gets steeper, The hole you dig gets deeper,  
you better stop and climb out.....  
Cause I'm trying to give it all to you, Baby I can see right  
through you,  
Sometimes you lose what it's all about.....

R2: Don't give me no alibis, Can't go through life trying to ju  
stify  
Don't want no alibis, Just another reason for another lie

R1: Don't give me no alibis...

3. Mountain gets steeper, The hole you dig gets deeper,  
Better reach and pull yourself out, Nobody ever gonna love y  
ou  
The way that I love you, And I never want to see you doing w  
ithout

R1: Don't give me no alibis...
