

One More Chance

Eric Clapton

Give me one more chance to make it up to you.
Give me one more chance to show what I can do.
Let me prove to you that my love is strong.
Won't you come back home, that's where you belong.

R: Oh baby, won't you give me one more chance?
Won't you give me one more chance?

Well, the sun won't shine and it refuse to rain,
And I bang my heard, but I feel no pain.
Then I tell myself that I could start anew,
But I know darn well it all depends on you.

R: Oh baby...

So if you hear this song, you might change your mind
And give a thought to me, I won't be hard to find,
And I'll promise you to do the best I can,
Change my evil ways and be your loving man.

R: Oh baby...

So, give me one more chance to make it up to you.
Give me one more chance to show what I can do.
Let me prove to you that my love is strong.
Won't you come back home, that's where you belong.

R: Oh baby...

Won't you give me one more chance?
