

# Revolution

Eric Clapton

I told you once, I told you twice  
You never listen to my advice  
Good kind treatment, I'm threw with you  
Won't get to heaven, I don't care what you do

I seen you changin from day to day  
Nothin never gets in your way  
Don't feel nothin for no one else  
Take what you want, jus help yo self

(Say you wanna, say you wanna)  
Now you want a Revolution  
(Want a revolution)  
A revolution now  
(Say you wanna, say you wanna)  
Say you wanna a revolution  
(Wanna revolution)  
A revolution now

(Told you once) I told you twice  
(Ya never listen) To my advice  
(Now your out there) Your on your own  
Ain't got no friends, ain't got no home

(Getting mad)  
I'm gettin mad at you (Mad at you)  
Just don't like the way you do  
Don't know where you think you been  
But your goin to wind up back there again

(Say you wanna, say you wanna)  
Now you want a Revolution  
(Want a revolution)  
A revolution now  
(Say you wanna, say you wanna)  
You wanna a revolution  
(Wanna revolution)  
A revolution now  
Say wanna revolution  
(Say you wanna, say you wanna)  
Do you wanna revolution now?

(Revolution, a Revolution now)  
(Time has come) and it won't be long  
For you to see where you come from  
(You can't go back) Can't go back, can't stay the same  
No one but yourself to blame

(Say you wanna, say you wanna)  
Now you want a Revolution  
(Want a revolution)  
A revolution now  
(Say you wanna, say you wanna)  
You wanna a revolution  
(Wanna revolution)  
A revolution now  
(Say you wanna, say you wanna)

Do you wanna revolution now?  
(Revolution, a Revolution now)
