Riding With The King

Eric Clapton

- I dreamed I had a good job and I got well paid Blew it all at the penny arcade
 A hundred dollars on a kewpie doll
 I guess no white chick is gonna make me crawl
- R: On a TWA, to the promised land
 Every woman, child and man
 Gets a cadillac and a diamond ring
 Dont you know we're riding with the king?
- 2. Hes on a mission of mercy to the new frontier Hes gonna check us all on out of here Up to that mansion on a hill Where you can get your prescription filled
- R: On a TWA to the promised land
 Everybody come on and clap your hands
 Dont you just love the way he sings
 Dont you know we're riding with the king?

A red cape and shiny cold 45
I never saw his face but I saw the light
Tonight everybody's getting their angel wings
Dont you know we're riding with the king?
Well I stepped out of a mirror at ten years old
With a suit cut sharp, as a razor and a heart of gold
I had a guitar hanging just about waist high
I'm gonna play that thing until the day I die
