

## Sleeping In The Ground

Eric Clapton

I would rather see you  
Sleeping in the ground,  
I would rather see you  
Sleeping in the ground  
Than to stay around here  
If you're gonna put me down.

Well, I give you all my money,  
Everything I own.  
Well, I give you all my money,  
Everything I own.  
Well, some day I'm gonna get lucky,  
And down the road you know I'm goin'.

Well, I would rather see you  
Sleeping in the ground,  
Well, I would rather see you  
Sleeping in the ground  
Than to stay around here  
If you're gonna put me down.

You know I give you all my money,  
Yeah little girl, everything I own.  
Well, I give you all my money,  
Everything I own.  
Well, today I'm gonna get lucky,  
And down the road you know I'm goin'.
