

# Still Got the Blues

Eric Clapton

It used to be so easy to give my heart away  
I found out the hard way  
There's a price I have to pay  
I found in that love's no friend of mine  
I should have known better time after time

It was so long, so long ago  
But I've still got the blues for you

It used to be so easy to fall in love again  
I found out the hard way  
It's a road that leads to pain  
I found in that love was more than just a game  
I was playin' to win  
But losin' just the same

It was so long, so long ago  
But I've still got the blues for you

So many years since I've seen your face  
Here in my heart there's an empty space  
Where you used to be

Well, it was so long, so long ago  
But I've still got the blues for you

Though the days come and go  
There is one thing I know  
I've still got the blues for you.
