

Walk Out In The Rain

Eric Clapton

Walk out if it doesn't feel right,
I can tell you're only lying.
If you've got something better tonight
Then don't mess up my mind with your crying.

R: Just walk out in the rain,
Walk out with your dreams,
Walk out of my life if you don't feel right.
And catch the next train;
Oh, darling, walk out in the rain.

I have come from so far away
Just to put a ring on your finger.
If you've said all that you've got to say
Then please don't feel the need to linger.

R: Just walk out in the rain...

It's raining outside of the city;
My poor feet have walked till they're sore.
If you don't want my love, it's a pity.
I guess I can't see you no more.

R: Just walk out in the rain... (2x)
