

When You Got A Good Friend

Eric Clapton

When you got a good friend, that will stay right by your side.
When you got a good friend, that will stay right by your side
Give her all of your spare time, love and treat her right

I mistreated my baby, and I can't see no reason why
I mistreated my baby, but I can't see no reason why
Everytime I think about it, I just wring my hands and cry

Wonder could I bear apologize, or would she sympathize with me
Mmmmmmm mmmm mmmm, would she sympathize with me
She's a brown skin woman, just as sweet as a girl friend can be

Mmmm mmmm, babe, I may be right ay wrong
Baby it's yo'y opinion, oh, I may be right ay wrong
Watch your close friend, baby, then your ene'ies can't do no harm

When you got a good friend, that will stay right by your side
When you got a good friend, that will stay right by your side
Give her all of your spare time, love and treat her right
