

Boomerang

Clare Maguire

I, I, I, I

I ask you why
Tell me why
Lord Jesus why
My, oh, my

He ain't no Man of Steel
He ain't no Superman
Still he throws my love around
And I go back like a boomerang

Boom, boom
Boomerang
Boom, boom
Boomerang
Boom, boom
Boomerang

Now I've seen him text her twice
And both those times he lied
And still we're riding round
Like we're Bonnie and Clyde

But he ain't no Man of Steel
He ain't no Superman
And he throws my love around
Still I go back like a boomerang

Boom, boom
Boomerang
Boom, boom
Boomerang
Boom, boom
Boomerang

All my friends say "Fuck it!"
They only wish he did
And my tongue is sharp
Kicked him out of the bed

'Cause he ain't no Man of Steel
He ain't no Superman
And he throws my love around
And I go back like a boomerang

Boom, boom
Boomerang
Boom, boom
Boomerang
Boom, boom
Boomerang

So tell me why
Why, oh why
Please tell me why
Am I with this guy

'Cause he ain't no Man of Steel
He ain't no Superman
And he throws my love around
So I go back like a boomerang

Boom, boom
Boomerang
Boom, boom
Boomerang
Boom, boom
Boomerang

Boomerang

I
Tell me why
I
Tell me why
I
Tell me why
I
Tell me why
