

# Don't Mess Me Around

Clare Maguire

O man  
You take the rap  
And you complain when i turn you down

Don't mess me 'round  
'round 'round  
Don't mess me 'round  
'round 'round

This girl  
Who'ya see tonight;  
Is she your lover  
Call her your wife?

Don't mess me 'round  
'round 'round  
Don't mess me 'round  
Yeah 'round 'round

Now there's a rumour  
Flaggin' round  
You hit on everybody in this town; but

Don't mess me 'round  
'round 'round  
Don't mess me 'round  
'round 'round

You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...

O man you should have known  
That I am not that kind of girl

You can't mess me round  
'round 'round  
Don't mess me 'round  
'round 'round

This game...  
You and your boys play  
As of today it's up in flames

Don't mess me 'round  
Don't you mess me 'round  
Don't mess me 'round  
'round 'round

Don't mess me round  
No, no, no...  
Round, round, round yeah  
Round, round, round...

You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...

O boy  
You're just a fool  
I've told all my girls about you

So don't mess around  
Don't you mess around  
Don't mess me 'round  
'round 'round

Yeah; you have been erased  
That's how easy you were to replace

Don't mess me 'round  
Don't you mess me 'round  
Don't mess me 'round  
Don't mess me 'round

Don't mess me round  
O round, round, round  
O round, round, round  
Round, round, round

You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...  
You'll be runnin' away like a tragedy; keep running away for good...
