

Stranger Things Have Happened

Clare Maguire

I'm a fool, crazy fool
Walking off those sapphire blues, carrying my shoes
Drinking in these drunken stares
Unprepared, I don't care

Fall in love, failing love
Stranger things have happened to me
Fall in love, failing love
Stranger things have happened to me

When the rain hits your face
I feel like electricity in your embrace
Dreaming of what's to come
I'm so high, so, so high

Fall in love, failing love
Stranger things have happened to me
Fall in love, failing love
Stranger things have happened to me

Stranger things have happened
Stranger things have happened

I'm in love, so in love
Stranger things have happened
(Fall in love) failing love
Stranger things have happened to me

Stranger things have happened
