

## Stranger Things Have Happened

Clare Maguire

I'm a fool, crazy fool  
Walking off those sapphire blues, carrying my shoes  
Drinking in these drunken stares  
Unprepared, I don't care

Fall in love, failing love  
Stranger things have happened to me  
Fall in love, failing love  
Stranger things have happened to me

When the rain hits your face  
I feel like electricity in your embrace  
Dreaming of what's to come  
I'm so high, so, so high

Fall in love, failing love  
Stranger things have happened to me  
Fall in love, failing love  
Stranger things have happened to me

Stranger things have happened  
Stranger things have happened

I'm in love, so in love  
Stranger things have happened  
(Fall in love) failing love  
Stranger things have happened to me

Stranger things have happened
