

Swimming

Clare Maguire

Whatever makes you bad
Makes me want you
I don't want you to leave
Without you heart on my sleeve

Want a long tattoo then, and
Songs that I sang to you
When you needed me
And I needed you

I am swimming
I go swimming
I'll be swimming
I'll go swimming

Ain't no calm down
Could rain on me
Hard enough to
Drown out your love

Ooohhh, ooohhh
Ooohhh, ooohhh

Fuck it, now life can wait
The adrenaline when I wake
I'm bored as hell
And you're my closest heaven

And there's a clue
There's nothing I wouldn't do
If you needed me
When I needed you

So I am swimming
I'll go swimming
I'll be swimming
I'll go swimming

Ain't no calm down
Could rain on me
Hard enough to
Drown out your love

Ooohhh, ooohhh
Ooohhh, ooohhh

It's a gamble
Place my bets on black
And be your lifeline
If you think you want it

Like you want me
Just as bad as you
When you need me
And I need you

I'll go swimming

I'll go swimming
I'll be swimming
I'll go swimming

Ooohhh, ooohhh
Ooohhh, ooohhh

Ooohhh, ooohhh
Ooohhh, ooohhh
