

# The Last Dance

Clare Maguire

Today I feel the mood  
And I don't feel like talking oh I  
I wasn't ready to lose you  
You're the first man to move me, yeah  
You helped me feel alive  
Got me up from 9 to 5 oh I  
I could get through those days  
With you on my mind, yeah

Got to try move on but I promise you  
I will kiss your crown when life takes me down

I'll save my last dance  
For you my friend  
I'll save my last dance  
For you my friend

Another face in the crowd  
Oh people love to move now oh I  
I just can't feel the beat  
'Cause my heart's fallen out

Got to try move on but I promise you  
I will kiss your crown when life takes me down

I'll save my last dance  
For you my friend  
I'll save my last dance  
For you my friend

I've got my life in my hands  
And your love in my heart  
I've got my life in my hands  
And your love in my heart  
I'll save my last dance  
For you my friend

And it seems I've lived my life  
With you as my rhythm, yeah  
And I know I'll find my feet after dreaming

I'll save my last dance  
For you my friend  
I'll save my last dance  
For you my friend

I've got my life in my hands  
And your love in my heart  
I've got my life in my hands  
And your love in my heart  
I'll save my last dance  
For you my friend

I've got my life in my hands  
And your love in my heart

Today I feel the mood  
I wasn't ready to lose you
