

Whenever You Want It

Clare Maguire

I think it's about time we
Had a discussion, about us
And I think it's about time we
Turned off the TV, and had a conversation

I don't wanna be alone
I just wanna have someone
I don't wanna be alone
I just wanna have someone

Who laughs at my shit jokes
Won't break me when I'm already broken

Whenever you want it
Whenever you want it
I'm ready, ooohhh, ooohhh
I'm ready, for you and me

I've had it with playing games
I've gambled on this and I've lost, out before
And I don't want to quantify
The multiple reasons, why I am sure

I don't wanna be alone
I just wanna have someone
I don't wanna be alone
I just wanna have someone

Who laughs at my shit jokes
Won't break me when I'm already broken

Whenever you want it
Whenever you want it
I'm ready, ooohhh, ooohhh
I'm ready, for you and me

So simply could it be
Move closer over to me
Move closer over to me

I don't wanna be alone
I just wanna have someone
I don't wanna be alone
I just wanna have someone

Who laughs at my shit jokes
Won't break me when I'm already broken

Whenever you want it
Whenever you want it
I'm ready, ooohhh, ooohhh
I'm ready, for you and me
