

## Dear Abby

Clarence Carter

Dear Abby, I'm writing this letter in regards  
To my girl who reads your column all the time  
And I hope that by printing this letter  
Maybe it might change her mind

You see, Abby, she saw me talkin'  
To an old girlfriend the other day  
And she thought we were trying  
To startup an old flame again

Now she won't see me  
Or talk to me on the phone  
Because she thought we really  
Had something going on

You see, Abby, your column has touched many hearts  
Help me save this romance from falling apart  
Abby, please help me, Abby  
Dear Abby, I'm calling on you, Abby

She's the only girl I'd really, really loved  
That's what I was trying to explain  
When she saw me talking to that girl

Now Abby, I done tried everything  
But nothing I try seems to do  
That's why I wrote this letter to you  
Now Abby, I don't wanna take up too much of your time  
But I need you to help me save this romance of mine

You see, Abby, your column has touched many hearts  
Help me save this romance from falling apart  
Abby, please help me, Abby

And I'm signing, desperate  
I won't sign my name
