

# Mother In Law

Clarence Carter

The worst person I know  
Mother-in-law  
Now she worries me so  
Mother-in-law

If she would leave us alone  
We'd have a happy home  
Sent from down below  
Mother-in-law, ha ha ha  
Mother-in-law, ha ha

Satan should be her name  
Mother-in-law (she's a mother)  
(A mother-in-law)

To me they're about the same  
(She's a mother, a mother-in-law)

Everytime I open my mouth  
She tries to put me out  
Sent from down below  
Mother-in-law

(Mother-in-law) ha ha  
(My mother-in-law)  
Mother-in-law  
(Mother-in-law)  
(My mother-in-law)

Mother-in-law  
(She's a mother)  
(My mother-in-law)  
Mother-in-law  
(She's a mother)  
(My mother-in-law)

I come home with my pay  
Mother-in-law (she's a mother)  
(My mother-in-law)

She asked me what I made  
Mother-in-law (she's a mother)  
(My mother-in-law)

She thinks her advice  
Is the Constitution  
But if she would leave  
That should be the solution

And never come back no more  
Mother-in-law (mother-in-law)  
Ha ha ha (my mother-in-law)

Mother-in-law  
(Mother-in-law)  
(My mother-in-law)  
Mother-in-law

(She's a mother)  
(My mother-in-law)

Mother-in-law  
(Mother-in-law)  
(My mother-in-law)  
Mother-in-law  
(She's a mother)  
(My mother-in-law)...
