Mother In Law

Clarence Carter

The worst person I know Mother-in-law Now she worries me so Mother-in-law

If she would leave us alone We'd have a happy home Sent from down below Mother-in-law, ha ha ha Mother-in-law, ha ha

Satan should be her name Mother-in-law (she's a mother) (A mother-in-law)

To me they're about the same (She's a mother, a mother-in-law)

Everytime I open my mouth She tries to put me out Sent from down below Mother-in-law

(Mother-in-law) ha ha (My mother-in-law) Mother-in-law (Mother-in-law) (My mother-in-law)

Mother-in-law (She's a mother) (My mother-in-law) Mother-in-law (She's a mother) (My mother-in-law)

I come home with my pay Mother-in-law (she's a mother) (My mother-in-law)

She asked me what I made Mother-in-law (she's a mother) (My mother-in-law)

She thinks her advice Is the Constitution But if she would leave That should be the solution

And never come back no more Mother-in-law (mother-in-law) Ha ha ha (my mother-in-law)

Mother-in-law (Mother-in-law) (My mother-in-law) Mother-in-law

```
(She's a mother)
(My mother-in-law)
Mother-in-law
(Mother-in-law)
(My mother-in-law)
Mother-in-law
(She's a mother)
(My mother-in-law)...
```
