Clarence Carter

A fever comes over me, oh yeah
And there's a burning deep inside
That just won't let me be, oh no

I tried to be patient baby
But I just can't stand the pain, oh no
And there's no time like right now darling

My desires won't wait forever darling
My willpower's growing weak, oh yeah
And I can't fill this need inside
With promises you won't keep, oh no

So put away your childish ways
And let the woman in you shine, oh yeah
And let a good thing come between us girl
Get down with this love of mine

The feeling is right
And the time is right now
Oh the feeling is right
I got to have your love

I said the feeling is right
And the time is right now
