

As Hell

Claude Kelly

Woohoo woohoo yeaahaa
Woohoo woohoo yeaahaa
I see you over there and looking kind of lonely
With the tears in your eyes
What's the matter girl what's you men doing
He ain't threating you right
Say the word and I promise we can woohoo
What we do won't hurt if he don't knowooh

CORUS

So listen girl, I won't take no for an answer
Because I'm feeling you so
Girl you drive me mad as hell, cause you bad as hell
You strong as hell
Can I touch you right now
When you men even ground[?]

You make the place feel hot as hell
Cause you fel as hell[?]
You strong as hell
Gotta touch you right now
When you men even ground[?]

Let me tell you something girl where I come from this is how it would be
If a men ever slept on a girl like you
Every night she woot creep
I can tell you are a good girl and you don't want a room
I can make you my julliet and I can be romeo

CORUS

So listen girl, I won't take no for an answer
Because I'm feeling you so
Girl you drive me mad as hell, cause you bad as hell
You strong as hell
Can I touch you right now
When you men even ground[?]

You make the place feel hot as hell
Cause you fel as hell[?]
You strong as hell
Gotta touch you right now
When you men even ground[?]

Girl you driving me mad as hell, cause you bad as hell
You strong as hell
Gotta touch you right know
When you men even ground[?]
You make the place feel hot as hell
Cause you fel as hell
You strong as hell
Gotta touch you right now
When you men even ground[?]
