Better Than I Know Myself

Claude Kelly

Cold as ice And more bitter than a december Winter night That's how I treated you And I know that I, I sometimes tend to loose my temper And I cross the line Yeah that's the truth I know it gets hard sometimes But I could never Leave your side No matter what I say Cause if I wanted to go I woulda gone by now but I really need you near me To keep my mind off the edge If I wanted to leave I woulda left by now But you're the only one that knows me Better than I know my self. All along I tried to pretend it didn't matter If I was alone Deep down I know If you were gone For even a day I wouldn't know which way to turn Cause I'm lost without you. I know it gets hard sometimes But I could never Leave your side No matter what I say Cause if I wanted to go I woulda gone by now but I really need you near me To keep my mind off the edge If I wanted to leave I woulda left by now But you're the only one that knows me Better than I know my self. Cause if I wanted to go I woulda gone by now but I really need you near me To keep my mind off the edge If I wanted to leave I woulda left by now But you're the only one that knows me Better than I know my self. Cause if I wanted to go

I woulda gone by now but I really need you near me To keep my mind off the edge If I wanted to leave I woulda left by now But you're the only one that knows me Better than I know my self.
