

Cuckoo

Claude Kelly

Let's go

Just looking me all that you lose me with this insanity
In this misery I know that I try my best, I'm stuck in this bed
It feels like I'm paralyzed, got this way on the chance

And you got me going cuckoo, you got me going cuckoo,
And you got me going cuckoo, you got me going cuckoo,
You got me going, you got me going cuckoo.

[Chorus:]

Cu-cu-cuckoo got this clock no stop, tic-tac, tic-tac
This misery I got, goy, got, got.
Cu-cu-cuckoo got this clock no stop, tic-tac, tic-tac
This misery I got, got, got, got.

Like a... so... to set you as got see you other way
But I just can't get you back
It's like I'm stuck with hang legs...
As I'm watching your... the... knows
And makes me cuckoo, you got me going cuckoo, you got me going cuckoo
,
And you got me going cuckoo, you got me going cuckoo,
You got me going, you got me going cuckoo.

[Chorus:]

Cu-cu-cuckoo got this clock no stop, tic-tac, tic-tac
This misery I got, goy, got, got.
Cu-cu-cuckoo got this clock no stop, tic-tac, tic-tac
This misery I got, got, got, got.

Yeah, yeah yeah, uhhh

I thought I was your Casanova but I was...
I'm left in misery, why did you have to go away
I think I'm going insane, I'm left in misery.
And you got me going cuckoo, you got me going cuckoo,
And you got me going cuckoo, you got me going cuckoo,
You got me going, you got me going cuckoo.

[Chorus:]

Cu-cu-cuckoo got this clock no stop, tic-tac, tic-tac
This misery I got, goy, got, got.
Cu-cu-cuckoo got this clock no stop, tic-tac, tic-tac
This misery I got, got, got, got.

You got me going cuckoo, you got me going cuckoo,
And you got me going cuckoo, you got me going cuckoo,
You got me going, you got me going cuckoo.
