

Dead 2 Me

Claude Kelly

Yeah, yeah
Na na na na na na na yeah
Na na na na na na na yeah

Baby no this ain't just a dream
There ain't no happy ending tonight
I told you if you kept pushing me
That should bring out the dark side (yeah)
Won't let your words infect me again
And now my heart is cold as stone
This wasn't now I thought I should end
And I just want you to know

That I bet you never thought the day would come
That I don't need you in my life
And you never thought I'd be the one
Saying bye bye bye bye
I now I don't even miss your face
Don't care that I hear your name
No, you're dead to me

Na na na na na na na yeah
Na na na na na na na yeah

All the sorrrys that you're telling me now
Go in one ear and right out the other
If it's killing you that I'm not around
Wait til you see me with another (other)

Cause I bet you never thought the day would come
That I don't need you in my life
And you never thought I'd be the one
Saying bye bye bye bye
I now I don't even miss your face
Don't care that I hear your name
No, you're dead to me

And now I can pass you on the street
I don't give a damn so I won't speak
All of the pain and the memories going up in flames

Na na na na na na na yeah
Na na na na na na na yeah
Na na na na na na na yeah
Na na na na na na na yeah

I bet you never thought the day would come
That I don't need you in my life
And you never thought I'd be the one
Saying bye bye bye bye
I now I don't even miss your face
Don't care that I hear your name
No, you're dead to me
