

# I Love The Rain

Claude Kelly

Ooh ooh ohyeah  
Huh ooh ooh ohyeah  
Your love was just like a sunshine,  
It woke me up every morning.  
With nothing but drama and bad fights,  
But it looks like a storm is coming.

And when the thunder rolls and the lightning strike,  
I hope that I'll forget all about you.  
Yea when everyone else is running inside,  
I'll be feeling so brand-new.

So baby let the rain fall down from heaven  
Let it wash away every memory of you and I  
Cause I don't want your love no more  
No woman's gonna bring me pain  
Gotta get you out of my life  
I guess that's why I love the rain  
Cause it's helping me forget all about you  
When the water falls on my face  
So I love the rain

When there was nothing but blue sky's  
You didn't know what to do with me  
You gave me nothing but your lies  
Yea you did babe  
So with them dark clouds I feel free yeah

And when a thunder rolls and the lightning strikes,  
I know that I'll forget all about you  
And when everybody else is running inside  
I'll be feeling so brand-new

So baby let the rain fall down from heaven  
Let it wash away every memory of you and I  
Cause I don't want your love no more  
No woman's gonna bring me pain  
Gotta get you out of my life  
I guess that's why I love the rain  
Cause it's helping me forget all about you  
When the water falls on my face  
So I love the rain

I know it seems kinda strange  
But that's the kind of weather I want  
But I can honestly say  
That I'm learning that it doesnt mean love  
Just cause the suns shining up above  
So I'm cleaning my heart up  
And I'm drowning the pain like a flood  
That's the best thing for me  
So bring all he rain let it come

So baby let the rain fall down from heaven  
Let it wash away every memory of you and I  
Cause I don't want your love no more  
No woman's gonna bring me pain

Gotta get you out of my life  
I guess that's why I love the rain  
Cause it's helping me forget all about you  
When the water falls on my face  
So I love the rain

So baby let the rain fall down from heaven  
Let it wash away every memory of you and I  
Cause I don't want your love no more  
No woman's gonna bring me pain  
Gotta get you out of my life  
I guess that's why I love the rain  
Cause it's helping me forget all about you  
When the water falls on my face  
So I love the rain

I love the rain  
It's helping me forget you baby  
Let it fall on my face cause I love the rain
