

Immortal

Claude Kelly

When we are young
We hear these stupid fairytales about love
We grow up thinkin that we'll find that perfect one
It only takes one heartbreak to wake you up yeeah
Like every other little girl I waited for
The man I thought I wanted to walk through the door
But u don't always get what u dream
Far from perfect but you're just for me

Cause I feel immortal in your arms tonight
I feel immortal lookin' in your eyes
My head/heart believes... coming true
I feel immortal, immortal when I'm with you

You got me prayin' that this moment never ends
Cause honestly this is the first time that I felt
That love is open for me and no one else yeeah
Cause I know you don't always get what u dream
So far from perfect but you're just for me

Cause I feel immortal in your arms tonight
I feel immortal lookin in your eyes
My... is comin true
I feel immortal, immortal when I'm with you

Now I see that you're all I need
With you my fairytales complete yeeah
Ohh...
Cause I feel immortal in your arms tonight
I feel immortal lookin' in your eyes
My head/heart believes... coming true
I feel immortal, immortal when I'm with you
