

# International Love

Claude Kelly

Our love, to big to keep it inside  
Let's go, these walls won't hold us tonight  
Cause they need to see, what you are about  
So baby come to me, let's show 'em how we get down

Cause you ain't no ordinary girl  
Your love takes me all around the world

You put it down like New York City, I never sleep  
Wild like Los Angeles, a fantasy  
Hotter than Miami, I feel the heat  
Whoa oh oh oh, it's international love  
Oh oh oh, it's international love

Don't stop, I'm on the ride of my life  
So hot, this trip is blowing my mind  
I never been on such a whirlwind tour  
You're making my head spin, like never before

You ain't no ordinary girl  
Your love takes me all around the world

You put it down like New York City, I never sleep  
Wild like Los Angeles, a fantasy  
Hotter than Miami, I feel the heat  
Oh oh oh oh, it's international love  
Oh oh oh oh, it's international love

There's not a place, that you're love don't affect me baby  
So don't ever change, I'll cross the globe when I'm with ya baby  
Ay, yeeaah, it's international love  
It's international love

You put it down like New York City, I never sleep  
Wild like Los Angeles, a fantasy  
Hotter than Miami, I feel the heat  
Oh oh oh oh, it's international love  
Oh oh oh oh, it's international love

You put it down like New York City, I never sleep  
Wild like Los Angeles, a fantasy  
Hotter than Miami, I feel the heat  
Oh oh oh oh, it's international love  
Oh oh oh oh, it's international love  
Oh oh, it's international love yeah  
Oh oh, it's international love yeah  
Oh oh, it's international love yeah  
Oh oh oh oh, it's international love  
Oh oh oh oh, it's international love yeah
