

# Love Song

Claude Kelly

Yeahhh ohhh  
Yeahhhhhh  
Baby ohhh woah woah  
Listen

Could it be love if u only met her once  
I never got her name B4 she left the club  
It must be destiny, the way u completly  
Gon take over my mine  
Now wen I close my eyes I still feel the girl  
Touchin' on me, grindin' on me  
Yeah ya trully fly girl

[CHORUS:]

And everytime I hear tht love song (love song),  
I swear I'm goin out of my mind  
Cause I cnt see myself dancing with nobody else to tht love son  
g (love song love song)  
See I don thinkn I'm eva gon find a chik like this tht make me  
trip ova a long song

Ain gon stop up on the floor, cause everytime I try  
Tht freakin song comes on  
Dj stop playin with my mind. She got the kid so open  
I wonder if she knows it. She all on my mind  
And wen I close my eyes I still feel the girl  
Touchin on me, grindin on me  
Yeah ya trully fly girl

Now baby anywhere you are, I wish tht u culd see  
How bad u got me trippin everytime I hear tht song  
I cnt help but but fall in love, wuld someone plz tell me  
Why one dance, cause I got it bad about tht love song
