

## Right Place (At The Right Time)

Claude King

We're in the right place at the right time and it's easy to go  
wrong  
The soft light shine just right tonight on your lovely face  
And a haunting sound of music seem to fill the place  
We're both eager to forget life that waits at home  
We're in the right place at the right time and it's easy to go  
wrong  
Yes everything is much too right tonight  
As we watch our hearts sink slowly out of sight  
And being eager to forget life that waits at home  
We're in the right place at the right time and it's easy to go  
wrong  
Your kiss is fine there's warm desire in each embrace  
And the wine is fine and that makes us want to stay  
We both know that it's not right but this feeling is so strong  
We're in the right place at the right time and it's easy to go  
wrong  
Yes everything is much too right...
