

# Don't Look at Me

Clawfinger

Why don't you want to talk to me does it feel easier to pass me  
by  
you read my face like I'm a fucking disgrace and you never look  
me in the eyes  
the truth is always easiest to ignore and that's why you walk t  
he other way  
but is it really that hard for you to think of something comfor  
ting to say  
Don't look at me as If I'm different  
Don't look at me as If I wasn't there  
Don't look at me as If I'm no good  
Don't look at me as If you didn't care, as if I wasn't there!  
You walk a little faster like you're trying to say that you rea  
lly haven't got the time  
and when I put my hand out for a coin or two you just pretend t  
hat you've gone blind  
It seems hard for you to show any compassion for me but it woul  
dn't hurt for you to try  
reality can be painful but tell me have you ever wondered why?  
(Chorus)  
You like to keep a safe distance from me to make sure that we n  
ever meet  
and just in case I might be dangerous you quickly turn and walk  
across the street  
You're so scared of the sight that you see that you decide to n  
ever understand  
Instead of judging me by the way that I look, accept me for who  
I am  
Instead of judging me by the way that I look, accept me for who  
I am  
Instead of judging me by the way that I look, accept me for who  
I am  
Instead of judging me by the way that I look, accept me for who  
I am  
(Chorus)
