

Don't Let The Sun Go Down On Me

Clay Aiken

I can't light no more of your darkness
All my pictures seem to fade to black and white
I'm growin' tired and time stands still before me
Frozen here on the ladder of my life

It's much too late to save myself from fallin'
I took a chance and changed your way of life
But you misread my meanin' when I met you
Closed the door and left me blind by the light

Oh, don't let the sun go down on me, yeah
Although I search myself, there's always someone else I see
I'd just allow a fragment of your life to wander free, yeah
Because losing everything feels like the sun goin' down on me

I can't find all the right romantic lines
But see me once and see the way I feel
Don't discard me, no just because you think I mean you harm
But these cuts I have, they need love to help them heal

Oh, don't let the sun go down on me, yeah
Although I search myself, there's always someone else I see
I'd just allow a fragment of your life to wander free, yeah
Because losing everything is like the sun goin' down on me

Don't let the sun go down on me
Although I search myself, there's always someone else I see
I'd just allow a fragment of your life to wander free, yeah
Because losing everything is like the sun goin' down on me, on
me
