

Everlasting Love

Clay Aiken

Hearts gone astray
Leave me hurt when they go
I went away
Just when you needed me so

Filled with regret
I come back begging you
Forgive, forget
Where's the love we once knew

Open up your eyes
Then you'll realize
Here I said was my
Everlasting love

Need you by my side
Girl, to be my bridge
You'll never be denied
Everlasting love

From the very start
Open up your heart
Be an everlasting part
Of everlasting love
(This love will last forever)
(This love will last forever)
