

Everytime You Go Away

Clay Aiken

Baby, if we can't solve any problems
Why do we lose so many tears?
Oh, so you go again
When the leading man appears
Always the same theme
But can't you see we've got everything going on and on and on

Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you

(Every time you go)

Go on and go free
Maybe you're too close to me
I can feel your body move
But does it mean that much to me
I can't go on singing the same theme
Can't see we've got everything
Baby, even though you know

Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you
Oh ooh,
Every time you go away

I can't go on singing the same theme
Baby, can't you see we've got everything going on

Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you
Oh,
Every time you go away
Yeah,
You take a piece of me with you
Ooh,
Every time you go away
Yeah,
You take a piece of me with you
Oh ooh,

(Every time you go)
Every time you go
