

# Everytime You Go Away

Clay Aiken

Baby, if we can't solve any problems  
Why do we lose so many tears?  
Oh, so you go again  
When the leading man appears  
Always the same theme  
But can't you see we've got everything going on and on and on

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you

(Every time you go)

Go on and go free  
Maybe you're too close to me  
I can feel your body move  
But does it mean that much to me  
I can't go on singing the same theme  
Can't see we've got everything  
Baby, even though you know

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you  
Oh ooh,  
Every time you go away

I can't go on singing the same theme  
Baby, can't you see we've got everything going on

Every time you go away  
You take a piece of me with you  
Every time you go away  
You take a piece of me with you  
Oh,  
Every time you go away  
Yeah,  
You take a piece of me with you  
Ooh,  
Every time you go away  
Yeah,  
You take a piece of me with you  
Oh ooh,

(Every time you go)

Every time you go
