

Grease

Clay Aiken

See my problems, and I see the light
We got a
Lovin' thing
We gotta feed it right

There ain't no danger
We can't go too far
We start believin' now
Then we can be who we are

Grease is the word
It's got groove, it's got meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

This is a life of illusion
Wrapped up in trouble
Mixed in confusion
What're we doin' here?

It's got groove, it's got meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

Grease is the word
