

Lonely No More

Clay Aiken

Another dream, another day
I've seen too many fade away
So if you wonder how to make it right
Give me everything, everything tonight

Cause I don't want to be lonely no more
I don't want to feel empty no more
Only you could unbreak this heartache I've carried around
Don't wanna be lonely no more, no more

Take me in, take me home
I can't stand to be alone
Help me paint the picture of my life
Don't you disappear and leave me here tonight

Cause I don't want to be lonely no more
I don't want to feel empty no more
Only you could unbreak this heartache I've carried around
Don't wanna be lonely no more, no more
Can't make no sense of life (Make no sense of life)
No matter how I try
Cause something's missing in my heart, tonight.

I don't want to be lonely no more
I don't want to feel (I don't wanna be lonely) empty no more
Only you could unbreak this heartache I've carried around
Don't wanna be lonely no more....no more

I don't wanna be lonely no more
I don't want to be empty no more
And only you could unbreak this heartache I've carried around
Don't wanna be lonely no more...no more....no more
