

## Look What Love Has Done

Clay Aiken

Where once the moon was just a rock spinning in the sky  
Where once the stars were only tiny points of light  
Now the moon looks like its heavens shining pearl  
Now those stars they look like windows into another world.

Look what love has done to me  
Look what love has done  
There's poetry in all I see  
Look what love has done  
And my heart is dancing through each day  
My soul is running free  
Look what love has done to me

Where once each breath was just a sigh of aching emptiness  
Where once I hardly felt the beating in my chest  
Now each breath feels like a precious gift of life  
Now inside me beat the wings of a thousand butterflies

Look what love has done to me  
Look what love has done  
This must be how it's meant to be  
Look what love has done  
Now my heart is dancing through each day  
My soul is running free  
Look what love has done to me

And I can't tell was that a violin or did you say something  
Was that lightning striking where I stand?  
Or did you just reach out and take my hand?

Look what love has done to me  
Look what love has done  
This must be how it's meant to be  
Look what love has done  
Now my heart is dancing through each day  
My soul is running free  
Look what love has done  
O done to me  
Look what love has done to me
