

## Merry Christmas With Love

Clay Aiken

She leaned with her head on the window  
Watching evergreen bend in the snow  
Remembering Christmas the way it had been  
So many seasons ago.

When children would reach for their stockings  
And open the presents they found  
The lights on the tree would shine bright in their eyes  
Reflecting the love all around.

This year there's no one to open the gifts  
No reason for trimming the tree  
And just as a tear made it's way to the floor  
She heard voices outside start to sing.

Merry Christmas to all who may dwell here  
Merry Christmas if even just one  
May the joy of the season surround you  
Merry Christmas with love.

Carolers sang as she opened the door  
Faces of friends in the crowd  
And all of the shadows of lonely reminders  
Driven away by the sound.

Now the heart that for years had been silent  
Was suddenly filled with a song  
As she clung to their hands like a child in the night  
She found her self singing along.

Merry Christmas to all who may dwell here  
Merry Christmas if even just one  
May the joy of the season surround you  
Merry Christmas.

Merry Christmas to all who may dwell here  
Merry Christmas if even just one  
May the joy of the season surround you  
Merry Christmas with love
