

# She Said Yes

Clay Aiken

He never had given much thought to dancing  
But she gave a lot of thought to being asked  
Well, he'd never been good at coming right on out and asking  
She'd never been given the chance

But something moved him 'cross that old gym floor  
When fear was holding fast  
And to his surprise, the words came at last

And she said yes  
To his half-hearted request  
And they held on  
For dear life  
'Til the last song played

They won't let go  
It's beyond their control  
They lit a flame with the match God had made  
When she said yes

From that night on, the fire was burning  
And they sure did shine in its light  
And he knew as long as this old world kept turning  
He wanted her by his side

So with a ring  
And a nervous smile  
And some lines that he'd rehearsed  
He said the sweetest words that she'd ever heard

And she said yes  
To his whole-hearted request  
And they'll hold on  
For dear life  
'Til the last stars fade

They won't let go  
It's beyond their control  
They lit a flame with the match God had made  
When she said yes

They lit a flame with the match God had made  
When she said yes
