

# Somewhere Out There

Clay Aiken

Somewhere out there someone's saying a prayer  
That we'll find one another in that big somewhere out there

And even though I know how very far apart we are  
It helps to think we might be wishing on the same bright star  
And when the night wind starts to sing a lonesome lullaby  
It helps to think we're sleeping underneath the same big sky

Somewhere out there if love can see us through  
Then we'll be together somewhere out there  
Out where dreams come true
