

# There's A Kind Of Hush

Clay Aiken

There's a kind of hush  
All over the world tonight  
All over the world  
You can hear the sound of lovers in love

Just the two of us  
And nobody else insight  
There's nobody else  
And I'm feeling good just holding you tight

So listen very carefully  
Get closer now  
And you will see what I mean  
It isn't a dream

The only sound that you will hear  
Is when I whisper in your ear  
"I love you forever and ever"

There's a kind of hush  
All over the world tonight  
All over the world  
People just like us are falling in love

So listen very carefully  
Get closer now  
And you will see what I mean  
It isn't a dream

The only sound that you will hear  
Is when I whisper in your ear  
"I love you forever and ever"

There's a kind of hush  
All over the world tonight  
All over the world  
People just like us are falling in love  
All over the world  
People just like us are falling in love
