

Fall

Clay Walker

Oh, look there, you go again, puttin' on that smile again
Even though I know you've had a bad day
Doin' this and doin' that, always puttin' yourself last
A whole lotta give and not enough take
But you can only be strong so long before you break

So fall, go on and fall apart
And fall into these arms of mine, I'll catch you
Every time you fall, go on and lose it all
Every doubt, every fear, every worry, every tear
I'm right here, baby fall

Forget about the world tonight, all that's wrong and all that's
right
Lay your head on my shoulder and let it fade away
And if you wanna let go, baby, it's okay

Fall, go on and fall apart
And fall into these arms of mine and I'll catch you
Every time you fall, go on and lose it all
Every doubt, every fear, every worry, every tear
I'm right here, baby fall

Hold on, hold on
Hold on to me

Fall, go on and fall apart
And fall into these arms of mine and I'll catch you
Every time you fall, go on and lose it all
Every doubt, every fear, every worry, every tear
I'm right here, baby fall
