

I Can't Sleep

Clay Walker

I've been up all night long
Just waitin' on the sun
I've given up, damn the dawn
It ain't never gonna come

Something's wrong
As long as you're gone

I'm not gonna sleep 'til I touch your face
Baby, not a wink I could go for days
If you ever needed to see me down on my knees
Take a look at me, baby, I can't sleep

Remember when you said we wouldn't last
I couldn't swallow my pride
Whoa, it's sinkin' in, baby, losin' you has
Finally opened my eyes

I'm wide awake
As long as it takes

And I'm not gonna sleep 'til I touch your face
Baby, not a wink I could go for days
If you ever needed to see me down on my knees
Take a look at me, baby I can't sleep

I'm not gonna sleep 'til I touch your face
Baby, not a wink I could go for days
If you ever needed to see me down on my knees
Take a look at me, baby I can't sleep

'Til I touch your face
Baby, not a wink I could go for days
I'm not gonna sleep 'til I touch your face
Baby, not a wink, I can't sleep

Oh, I can't sleep
Oh, I can't sleep
Oh, I can't sleep
