Live Until I Die

Clay Walker

Skippin' rocks, skippin' rope Laughin' at all my best friends jokes Things I loved when I was a kid

Muddy roads, muddy feet I didn't live on no blacktop street Things have changed a lot but I never did

And I don't wanna think about tomorrow I don't need anything money can buy I don't have to beg, steal or borrow I just wanna live until I die

Livin' right, livin' in this Little old town I grew up in But I still held on to my dreams

Standin' proud, standin' tall Standin' smack dab in the middle of it all I don't worry about things that I can't change

And I don't wanna think about tomorrow I don't need anything money can buy I don't have to beg, steal or borrow I just wanna live until I die

And everything around me Are things I dearly love And every night I get on my knees And thank the Lord above

And I don't have to think about tomorrow I don't need anything money can buy I don't have to beg, steal or borrow I just wanna live until I die I don't have to beg, steal or borrow I just wanna live until I die
