

Lose Your Memory

Clay Walker

Last night is the last time
She's ever leavin' me
'Cause I've taken all the past times
And I've stored 'em in my memory

She probably thinks I'm crazy
She probably thinks I've lost my mind
'Cause when she drove away
Well, I just waved goodbye

It's been one time, two times, three times more
Than I can't bear to stand
The clock is stopped from that slammin' door
And I can't turn the hands

Well, I've lost track of time
But you're still right here with me
'Cause honey I might lose my mind
But I'll never lose your memory

Everybody asks me
How I got over you
Well, I just tell them that we
We're just about overdue

Well, it don't matter how far you go
'Cause you're never far from me
'Cause honey, I might lose my mind
But I'll never lose your memory

It's been one time, two times, three times more
Than I can't bear to stand
The clock is stopped from that slammin' door
And I can't turn the hands

Well, I've lost track of time
But you're still right here with me
'Cause honey I might lose my mind
But I'll never lose your memory

Baby, you made me lose my mind
But I'll never lose your memory
