

## Lose Your Memory

Clay Walker

Last night is the last time  
She's ever leavin' me  
'Cause I've taken all the past times  
And I've stored 'em in my memory

She probably thinks I'm crazy  
She probably thinks I've lost my mind  
'Cause when she drove away  
Well, I just waved goodbye

It's been one time, two times, three times more  
Than I can't bear to stand  
The clock is stopped from that slammin' door  
And I can't turn the hands

Well, I've lost track of time  
But you're still right here with me  
'Cause honey I might lose my mind  
But I'll never lose your memory

Everybody asks me  
How I got over you  
Well, I just tell them that we  
We're just about overdue

Well, it don't matter how far you go  
'Cause you're never far from me  
'Cause honey, I might lose my mind  
But I'll never lose your memory

It's been one time, two times, three times more  
Than I can't bear to stand  
The clock is stopped from that slammin' door  
And I can't turn the hands

Well, I've lost track of time  
But you're still right here with me  
'Cause honey I might lose my mind  
But I'll never lose your memory

Baby, you made me lose my mind  
But I'll never lose your memory
