

Loving You Comes Naturally to Me

Clay Walker

When the moon pulls the tide
The ocean don't ask why, it just follows
No one has to tell the trees
It's time to grow new leaves down in the hollow

And I've heard it said
It's all part of the good Lord's master plan
And now I understand why
Every time you walk in the room
I find myself reaching for you

I don't even have to try
'Cause like the way
This heart of mine beats
Loving you comes naturally to me

Like singin' is to birds
I'm never at a loss for words when I'm near you
Every time I hold you tight
I get a feeling deep inside like I was born to

Girl, there ain't no doubt
It's the easiest thing I've ever done
And I know you're the one
'Cause every time you walk in the room
I find myself reaching for you

I don't even have to try
'Cause like the way
This heart of mine beats
Loving you comes naturally to me

I don't even have to try
'Cause like the way
This heart of mine beats
Loving you comes naturally to me
