

## Rough Around the Edges

Clay Walker

I'm a little bit rough around the edges  
Yeah, girl I've been known to fall too hard  
I ain't afraid to dance around on jagged ledges  
That's why I'm rough around the edges of my heart

I'm a working man, I've got callused hands  
And I can't stand a suit and tie  
Hey, I'm at home in here  
I like this atmosphere  
And drinking beer on a Friday night

I've been knowing you  
For a dance or two  
I think I'd better warn you now

I'm a little bit rough around the edges  
Yeah, girl I've been known to fall too hard  
I ain't afraid to dance around on jagged ledges  
That's why I'm rough around the edges of my heart

I could fall for you before this night is through  
And if I do, hey that's okay  
I'd like to share my dreams  
Friends and front porch swings  
The simple things, hey what do you say

You don't know me yet  
I work without a net  
And what you see is what you get

I'm a little bit rough around the edges  
Yeah, girl I've been known to fall too hard  
I ain't afraid to dance around on jagged ledges  
That's why I'm rough around the edges of my heart  
Play on

I'm a little bit rough around the edges  
Yeah, girl I've been known to fall too hard  
I ain't afraid to dance around on jagged ledges  
That's why I'm rough around the edges of my heart  
That's why I'm rough around the edges of my heart
