

## So Much More

Clay Walker

Lyin' in the dark I'm lost in you  
I'd do anything you want me to  
I've never felt more completed  
You're exactly what I needed

You take my breath away  
Every time you look at me that way  
You look right inside my soul  
And I know that you know

That you're all I've ever wanted  
And all I've never had  
How can we call this love  
When it's so much more than that

Listenin' to your heart, I'm swept away  
Your every move carries me away  
Deep in you eyes, I see an ocean  
That can't be measured by one emotion

You take my breath away  
Every time you look at me that way  
And you look right inside my soul  
And I know that you know

That you're all I've ever wanted  
And all I've never had  
How can we call this love  
When it's so much more than that

So much more  
So much more, more than that

So much more than that  
So much more
