

You Deliver Me

Clay Walker

Deep as the ocean and right as rain
This powerful emotion lifts me up above the plain
Taking me to places I never thought I'd go
Showing me a grace I never thought I'd know

When I feel like I can't go on
You deliver me
And when the road is winding
And way too long
You deliver me, you deliver me

I feel like a sinner whose sins have been washed clean
An absolute beginner whose heart has never seen
I must be forgiven for sometimes asking why
I was chosen to be given you in this life

When I feel like I can't go on
You deliver me
And when the road is winding
And way too long
You deliver me, you deliver me

When there's a distance
Between what I am
And who I wanna be
You deliver me

When I feel like I can't go on
You deliver me
And when the road is winding
And way too long
You deliver me

When I feel like I can't go on
You deliver me
And when the road is winding
And way too long
You deliver me, you deliver me

Oh, you deliver me
And when the road is winding
And way too long
You deliver me
